Our common concern:

The Mound of Remembrance and Peace in Oswiecim - Poland

Invitation

Dear citizens full of good intentions all over the world !

I cordially ask you to support the project called

„Mound of Remembrance and Peace in Oswiecim“

with the help of your emotional, political and financial possibilities.

By building the mound the recently established

„Polska Unia Seniorow“ – “Polish Senior Citizen’s Union”
Which is a Member of the European Senior Citizen’s Union

intends to preserve the remembrance of all victims of both dictatorial regimes
and wars of the 20th century and also of the contemporary wars.

According to its name the mound may remember and advocate peace.
Oswiecim where once the hell of the KZ Auschwitz-Birkenau was located
is the best place for the mound.

Oswiecim for a number of years now proudly bears the name “City of Peace”
and will prove itself with dignity once more while building the mound.

The initiators of the mound know from their own painful experience:

*Unity and peace ensure setup,
dispute and war are spoiling everything.*

This is why they - who declare their solidarity especially by bringing stones of remembrance - support together with many, many citizens from all over the world this initiative of peace:

.for the former prisoners, from KZ Auschwitz-Birkenau, Majdanek, Treblinka, Buchenwald, Warschau, Lamsdorf, Dachau, Mauthausen, Ebensee, Bergen-Belsen and other concentration camps of the Nazis,

.from the Soviet Gulags, the camps of Katyn, Smolensk and Charkow,

.and from the other KZs and penitentiaries where "human beings" brought people fighting for a better world to their deaths.

While building the Mound of Remembrance and Peace the initiators manifest their demand for the preservation of the dignity of each human being, and an end of oppression and enslavement of human beings, for a humane life for everybody in peace, democracy and social justice.

*Our earth is but a small star in the great universe.
Yet of it we can make, if we choose, a planet untroubled by war,
untroubled by hunger or fear,
undivided by senseless distinctions of race, color or theory.
Grant us that courage and foreseeing to begin this task today
that our children and our children's children
may be proud of the name of man.*
